

Receiving and Sending Your Scores

Scores on the Web

If you have a free ACT web account, you can view your scores along with a copy of your score report at www.actstudent.org at no charge.

- If you do **not** already have an account, please wait until **after** you receive your score report to create one. To view your scores, you must enter the ACT ID from your score report when this information is requested as part of creating your account.
- If you **do** already have an account, please wait 2–3 weeks after the test date to log in to your account and check to see if your State and District testing scores have been posted. Note: If you take the ACT with writing, your writing scores will be added as soon as they are available (usually about 2 weeks after your multiple-choice scores are posted).

You can also use your ACT web account to access other ACT services, such as requesting and paying for Additional Score Reports (ASRs) or registering to retake the test on a future National test date.

Schedule for Score Reports by Mail

ACT (no writing) score reports are normally **mailed 2–8 weeks** after we receive your answer document. ACT with writing score reports are mailed only when all of your scores are available—including writing—normally 5–8 weeks after the test date.

Official ACT Score Reports

Initially, ACT produces and sends only the following score reports:

- **Student Report**—Your paper report will be automatically mailed to the address you enter on your answer document. A guide to understanding your scores, *Using Your ACT Results*, will be included with your report. If you provide an inaccurate address, no report will be mailed.
- **High School Report**—A report will be automatically mailed to the Director of College Counseling at your high school.
- **College Reports**—Each college and scholarship agency for which you provide a valid code on your answer document will receive a report. Each college selects the method and frequency of reporting—at least every two weeks.

If you take the ACT with writing, an image of the essay you write may be available to the high school and colleges to which you have ACT send scores from that test date.

Your state education agency will also receive your State and District testing record, even if you choose not to have ACT report your scores to any colleges.

Test Location

State and District testing scores are indicated as “State” under “Test Location” on the reports sent to high schools and colleges. ACT does not report any specifics about accommodations provided.

ACT will not report scores earned with non-college reportable accommodations to colleges, scholarship agencies, or any other entities. These scores are for state or district assessment purposes only.

One Test Date per Report

ACT score reports include only the results for the current test date. Because you direct the reporting of your scores, results from previous test dates are not included.

State and District Testing Record

Because your record is used to document participation in State and District testing, you may **not** direct us to drop your State and District testing record from our files.

Additional Score Reports (ASRs)

Requests for reports to more than four college choices—and all requests after testing for reports to **any** recipient (e.g., high school, college)—must be submitted and paid for as ASRs.

Wait until **after** you test to submit your request. Your scores are available for additional reporting only after all scores for your test option have been processed. Once you submit your request, by any method, it cannot be changed or canceled.

Requested at www.actstudent.org or by mail

- Regular \$12.00
- Priority (sent only within the US) \$16.50

Requested by telephone; payment by credit card

- Regular available only by mail or web
- Priority \$15.00 service fee + \$16.50 per report

Congressional Codes

The up-to-date list of members of Congress and their ACT codes is at www.actstudent.org

Security Hotline

You can help protect the ACT. If you suspect an irregularity in testing—such as someone having access to the tests in advance, sending another person to test in his or her place, or copying someone else’s answers—please report your concerns at www.act.ethicspoint.com. You can report your concerns anonymously.
